The word **KATHARA** refers to the Core Structure of Morphogenetic Fields (creation templates), the Holographic Templates of Sound, Light & Scalar Waves that serve as the blueprints on which matter manifests.

Kathara provides **direct access** to the core intrinsic, original causal condition of disease & its myriad manifest forms.

The **all-inclusive, love-based** perspectives **intrinsic** to the Kathara paradigm, the **meeting ground of science & spirituality**, foster an expansive framework in which **ALL can freely celebrate, explore & evolve the Spirit-Mind-Body experience of Manifest Expression.**

Kathara Healing

Level 1

The Kathara Bio-Spiritual Healing System

Kathara is the keystone teaching at the centre of a huge body of material known as the ‘**Freedom Teachings**’. These are translated (not channelled) from Pre-Ancient, pre-Atlantean ‘Law of One’ Maharata texts, traces of which appear in many popular paradigms associated with **Ascension, Merkaba, DNA Activation, Multi-dimensional Anatomy & Healing**.

Kathara reveals the **Core Structure & Anatomy of the Unified Field of Creation, providing a coherent framework** to support many people’s intuitive understanding of the **One-ness of All Life**. The **Unified Energy Field** is the ‘**Theatre of Oneness**’, the very framework of all Creation, and is thus the **true context** within which meaningful healing can occur.

Access to this framework **enables the Core Programming Centre of all life, and all life conditions**, to be **directly accessed**, to provide restoration & regeneration of the **natural, Divine, imprint for Health**.

This progressively **reawakens the full spectrum of Primal Life Force Currents** and their specifically **corresponding levels of spiritual consciousness/higher-dimensional identity**, within our bodies, through activating the Dimension-12 Maharata Current “carrier wave”.

True Empowerment

The D-12 Maharata Current holds what is called the *original, pre-matter manifestation template* for mind-body-spirit health, called the **Personal Divine Blueprint** or **Inner Christos**.

Each one of us has emerged from God-Source and **we all carry a direct connection to Source** through our higher bodies at the many levels in creation and through the levels of our own consciousness.

Kathara presents us with an **elegant and comprehensive** context for understanding **our true, multi-dimensional nature**. Perhaps even more importantly, Kathara also gives very clear guidelines as to how we can begin to **integrate our own higher consciousness** into our everyday life.

The result is **true empowerment**. It goes way beyond the perceptions of ourselves as limited, lowly or fallen beings. We have tended to look for support, protection or salvation from outside ourselves, failing to realise **the enormous potential we carry within us**.

The first step in reclaiming our full potential lies in understanding what it is! **This empowers the mental body**, which must be included in our search for spiritual, emotional and physical well-being.

Practical Applications

The workshop will introduce many effective approaches to re-establishing our direct, conscious connection to Source.

- Self-Healing through sound, symbol and colour
- Specific techniques for clearing blockages, **activating DNA**, and **reawakening the organic imprint for health**.
- **Maharic Seal**: Strengthening **personal field integrity**, by building a **natural protection ‘filter’** from intrusive energies.
- De-mystifying concepts such as **Soul, Oversoul, DNA, Karma, Ascension, Merkaba, Indigos, the Christos & the Angelic Self** & more, by defining **their precise nature** & providing specific tools (techniques) to **integrate our higher levels of identity**.
- The course will also introduce the **Maharic Recoding Process**, which can be added to the practice of other healing modalities, greatly enhancing their effectiveness and safety. This fully integrated sequence is a process of **Whole Being Healing** in the literal context of **Oneness, the Divine Blueprint & natural, organic, Christos (re)-alignment**.
