### Nature of the VEILS

#### The Perceptual Veils through which we have lost our freedom originate from 2 Primary Causal Agents.

1. The **Beliefs** we have been taught about self and reality that *turn our attentions away* from **LOOKING FOR** our **Eternal Nature**.
2. The **Genetic Code** and inoperable portions of the **DNA** that presently *biologically limit* our ability to draw our Eternal Consciousness fully into our *embodied waking awareness*.

We possess the **power** to change **both Primary Causal Agents** that block our Eternal Selves from their potential Earthly expression.

In the **Kathara Bio-Spiritual Healing System™** we are exploring the methods by which the **biological blockages** to the Eternal Self can be healed.

In the “Beyond the Veils” workshop it explores **perspectives** through which the **BELIEFS** that block us from embracing our Eternal Selves can likewise be healed, so that the **original integrity** of our **Majesty of Being** can be once again made manifest.

### Before the Veils

Prior to becoming aware of ourselves as sentient beings in this life time our **Eternal Selves** existed as sentient conscious beings. We **chose** from the **cognition of our Eternal Selves** the **circumstances** into which we would incarnate in this, and other, life times, and **each one of us** has a **memory** of the point at which our consciousness entered the present embodiment through the process of **Fetal Integration**.

### After the Veils

As we begin to realize that we *came* from elsewhere to *get here*, and that our *consciousness did not begin with the birth of the present body* we know, we will also realize that our **consciousness will pass to somewhere else** upon its completion of the present lifetime. We will begin to perceive **DEATH** as simply an *experience within the Eternal Life Process*, rather than a *final completion to a finite manifestation* of consciousness.

**In re-perceiving Death we will begin to ASK THE RIGHT QUESTIONS**, as to what is the true nature of the **Death Experience**. There **ARE answers** to the *seemingly* unanswerable questions.

**DEATH IS A TRANSFER OF CONSCIOUSNESS – that is ALL.** The awareness you now hold **expands** into a **greater perceptual field**, as you move into the **direct cognition** and **KNOWING** that exists within the **Eternal Self**. Death is a **transfer of**

**consciousness** out of **bodily limitations** and back into the pure state of *disembodied sentience* of the **Eternal Self**.

Following a smooth **Death Transition**, you more fully *remember who you are* and the reasons you chose for the life experience. You have opportunity to **review** the content of the present life within the context of other life experience and their overall objectives. You will then make the **choice** as to what life experience you will next encounter in order to fulfill the greater objectives you have set for your Evolution.

After the **Transfer of Consciousness** you will also be met with the **ENERGY REALITY** of *multidimensional structure*, and *amount of consciousness you have managed to integrate on Earth* will determine, by **VIBRATIONAL RESONANCE**, whether or not you will have to re-enter the cycles of Earthly **physical incarnation** in order to draw in more consciousness-energy.

If you have reached the *accumulation of enough energy-consciousness substance* after death, to allow Vibrational Resonance to be established with the **5<sup>th</sup> Dimensional frequencies**, you will *no longer* have to enter *incarnation* in the cycles of finite form, and can then begin a *new form of evolution* within less-dense states of matter, in a more perfected **Eternal Body**.

If we are **fearful** of the death transition, or believe we will be **judged** by an **external authority**, we will **MANIFEST THE REALITY OF THIS HOLOGRAM** *through our own thought patterns*. If we instead realize that we are *transferring our consciousness* into our **Eternal Selves** and a *direct connection* to the **Eternal Source**, we will transfer more smoothly *direct cognition* without *manifesting* any **thought-form dramas** to move through the 4<sup>th</sup>-Dimension.

If we encounter the *Transfer of Consciousness* believing that we are **FINITE** and will *cease to exist*, we will **temporarily** create this **illusion** through *putting our awareness to sleep*, but eventually the **Eternal Self** will send higher dimensional representatives to *remind you that you are not dead*.

The *Transfer of Consciousness* is most **graciously achieved** with *full knowing of the process* – **Dying Well** - a skill that can be developed *prior to death* by practice of the **NEAR DEATH EXPERIENCE**. The **NDE** is simply a *transfer of consciousness* into the **Eternal Self** and the **returning with memory** of the experience

### **Under the Veils – Piercing the Veils**

Because we have become so **entranced** within the **Holographic illusion** of 3-dimensional Earthly life, and have forgotten our reality as the *Eternal Self*, the Eternal part of our being must often *orchestrate events* of an **extra-ordinary** nature to get our attention, so that we begin to *remember who we are* and *why we chose to incarnate*.

Humanity has great potential for achieving transcendent states of consciousness, through following the *natural directive* of **Eternal Self Embodiment** that is set within the original pattern of DNA and held within the *Eternal Self consciousness*. **We have the capacity of evolving into God-Beings or “Christed Beings”** with 12-strands of operating **DNA** and possessing 12 Dimensions of Embodied Consciousness. Because we have forgotten the true purpose of our life experience – that being the evolution /

expansion into our “**Christed State**” – our Eternal Selves must *remind us* through orchestrating events such as **NDE**.

### **Stepping Beyond and De-manifesting the Veils**

In our present cultural atmosphere we are continually presented with the limited ideas and interpretations of reality that have blocked our Eternal Selves from view for generations spanning backward for many thousands of years. **If we are to reclaim our true *Eternal Heritage* we must *choose to have courage to face these false perceptual filters and inaccurate belief systems*, and to make a firm stand to *embrace and learn idea paradigms* that **SERVE OUR EXPANSION** rather than limit our **Eternal Potentials**.**
